## Why H. S. Stout Succeeds.

Here are a few reasons why H. S. Stout has succeeded in building up the largest tailoring business in Paris:

FIRST—He recognized the fact that five years ago that the only day of big profits and small sales was past.

SECOND—He cuts the price of tailor-made garments at least 40 PER CENT.

THIRD—He kept up the quality of his materials, his styles and his workmanship.

FOURTH—He always does as he advertised.

## AS A RESULT.

As a result of this system he has built up a large trade that appreciates the fact that they save twenty dollars on a single Suit or Overcoat. "Many customers at a small profit rather than a few customers at a big profit," says H. S. Stout.

If you want credit, your high-price tailor gladly extends it, for he makes you pay dearly for it in the end.

Why not turn over a new leaf—wear the best, save money, by giving H. S. Stout a trial?

He makes the Finest Imported Suits for

\$30.00 AND \$35.00.

## Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.

A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I tried

several prominent physicians and took their treatment faithfully, but was

unable to get the slightest relief. In fact, my condition seemed to grow

worse, the disease spread over my entire body, and from November to March

I suffered agony. I tried many patent medicines, but none relieved me.

Upon the advice of a friend I decided to try

S. S. S. Before allowing me to take it, however, my guardian, who was a chemist, analyzed the remedy, and pronounced it free of

potash or mercury. I felt so much better after taking two bottles, that I continued the remedy, and in two months I was cured completely.

The cure was permanent, for I have never since had a touch of Rheumatism though many times exposed to damp and cold weather.

ELEANOR M. TIFFELL, 3711 Powelton Avenue, Philadelphia.

Don't suffer longer with Rheumatism. Throw aside your oils and liniments, as they can't reach your trouble. Don't experiment with doctors—their potash and mercury will add to your disability and completely destroy your digestion.

S. S. S. For the Blood

will cure perfectly and permanently. It is guaranteed purely vegetable, and contains no potash, mercury, or other mineral. Books mailed free by Swift

Kidney Diseases

CURED THAT HAD BEEN pronounced incurable

Mr. C. A. Stillson, a merchant of Tampico, Ill., writes FOLEY'S KIDNEY CURE is meeting with wonderful success.

It has cured some cases here that physicians pronounced incurable.

I, myself, am able to testify to its merits. My face to day is a living picture of health, and your Kidney Cure has made it such.

I had suffered twenty-seven years with the disease, and to day I feel ten years younger than I did one year ago. I can obtain some wonderful certificates of its medical qualities.
